

East Arlington's Civic Association Makes Many Plans

The first regular meeting of the newly formed East Arlington Civic Association, at the Hardy school, on Monday evening, April 24, met with every success anticipated by its members. Proposed changes and additions to the by-laws were heard and accepted. Recommended candidates for the executive committee of the Association were approved and elected to the committee. Newly elected members of the executive committee are: Rev. Warren Bixby and Caesar Fiorenza, prec. No. 1; Frank Silva and A. W. Rutherford, prec. No. 2; Edward Colby and John Mitchell, Jr., prec. No. 3; Philbert Pellegrini and James Coffey, prec. No. 4; Walter M. Driscoll and Daniel Purcell, prec. No. 5.

Outstanding among the recommendations of the members was a proposal that a traffic signal be asked for the junction of No. Union st., and Broadway.

At the conclusion of the meeting, the members were addressed by the noted Prof. Koch of M. L. T. who discussed means of attaining ends through organization, and who also brought to light many hitherto unknown facts concerning the sale of State property to be used privately as a drive in theatre on Arlington territory. The tone of the discussion indicated that the episode was not to be regarded as closed, but rather merely passing through a transition from one stage to another.

The presence of twelve Town Meeting Members at this meeting was noted, and generally regarded as an omen of future successes for the Association.

Joseph X. Trainor, 19 Pine Ridge road; Walter J. Egan, 111 Warren st., and Thomas H. Twitchell, 57 Hillside road.

Atty. Edward J. Hanify of Belmont is chairman of the dinner committee.

Bishop John J. Wright, recently appointed Bishop of Worcester, the new diocese which embraces Holy Cross College will be the principal speaker at the dinner. Other speakers and entertainment will round out the after dinner program.

The annual election of officers of the Holy Cross Club of Boston will be held in Room 118 of the Parker House prior to the dinner.

Last Week For Car Inspection

The law requires that all Massachusetts registered motor vehicles that have been operated in the Commonwealth a any time during the month of April be inspected by midnight April 30 and display an inspection sticker on the windshield.

The Registrar of Motor Vehicles Rudolph F. King has ordered all motor vehicle inspectors out on the highways on May 1 for the purpose of halting Massachusetts motor vehicles not bearing a 1950 spring inspection sticker. The Registrar has also requested the co-operation of the police, State, Metropolitan District, and community in enforcing this law.

Honor Daniel J. McFadden

At the Annual election of the Eastern Massachusetts Recreational Association held this week in Newton, Daniel J. McFadden, Director of Recreation in Arlington was elected President; Roscoe Marker, Director of Recreation in Whitinsville, Vice President; Alvin G. Kenney, Director of Community Recreation Service of Boston, Secretary-Treasurer; Britton Boughner, Superintendent of Wellesley Park Commission and Charles Kelley, Superintendent of Recreation in Somerville were elected Executive Committee members. This organization, which was organized about ten years ago to promote closer association and cooperation between recreation executives of Eastern Massachusetts and to sponsor a medium whereby they might discuss mutual professional and administrative topics, has sponsored many training institutes and co-operative planning in the field of community recreation.

President McFadden announced that the Association this year will sponsor an All-Day Spring Conference in early May on summer recreation programs to be carried on by municipalities in Eastern Massachusetts.

Hardy P.T.A. Fashion Show

On Tuesday evening, May 2, at 8:00 p.m. at the Hardy School Auditorium, the Hardy School P.T.A. pre School Committee is sponsoring a Fashion Show for the benefit of the Kindergarten. The Show will be presented by the Modern School of Fashion and Design, of Boston.

The Committee in charge are Mrs. Frank Driscoll, Mrs. Edward Feeney, Mrs. Robert Graanan, Mrs. Edward Gunzelmann, Mrs. Richard Gunzelmann, Mrs. Edmund Laurendeau, Mrs. Loyd LeForce, Mrs. Robert MacFarlane and Mrs. Ernest Moegelin.

Henry Rowland Candidate For Sec. Of State

Attorney Henry C. Rowland of Poston and 67 Pleasant street Arlington, former Assistant Attorney General, announced his candidacy for the Republican Nomination for Secretary of State.

Rowland feels his candidacy is in line with the Republican Committee's Policy of candidates seeking public office.

Mr. and Mrs. Rowland have nine children; four sons volunteered in World War II and went overseas.

Rowland, born in Somerville, resident of Arlington since 1916; Charter member Somerville Lodge No. 917 B. P. O. Elks; former member Catholic Union, Cambridge; Division 17 A. O. Hibernians; the A. O. U. W. and other organizations.

Rowland admitted to practice law in Massachusetts January, 1911 and to United States Courts in 1917.

Rowland has had a wide experience in government, as Legal Assistant to Board of Tax Appeals; as General Counsel for eighteen closed banks and as Assistant Attorney General.

Rowland, author of House Bill No. 1081 filed in 1948, for the establishment of Community Property rights law between husband and wife.

Install O'Hara As VFW Officer

Joint installation of officers of Arlington Post 1775, Veterans of Foreign Wars, and its auxiliary, was held at Old Town Hall last Saturday. Francis O'Hara of 10 Sunset road was installed as commander.

Commander O'Hara served with the Navy in World War II. He has served on many town committees. Wilfred Hartling, Past District Commander was installing officer aided by State Department Service Officer Samuel Williston and Past Commander James Deane.

Other officers include John F. Shaw, Vice-Commander; Raymond Forrest, Junior Vice-Commander; James Glenig, Chaplain; Lawrence Lefebvre, Quartermaster; Dr. R. Wells, Surgeon; Joseph Vahey, advocate; James Deane, Adjutant; John Sullivan, O. D.; Thomas Widger, Sergeant Major; D. Kells, Quartermaster Sergeant; W. Tryder, Inspector; R. Fitzgerald, Service Officer; Joseph Vahey, L. O.; James Forsyth, Historian; Robert Garten and Frank Lopez, color bearers; John Murphy and E. Porter, Color Guards; Bernard Scannell, Guard; Philip O'Neil, Public Relations Officer; Henry DiNapoli, Jr., Act. Officer; W. Hartlone, G. Dasseos, J. Forsyth, Trustees.

Invited guests who addressed the group included Selectman Marcus Sorenson; John Murphy, Chairman of the Board of Public Works; Mr. Williston, Mrs. Katherine Kelley, Past Department President and Mrs. Blanche Williston, Department Conductress.

Wave Of Accidents Takes Two Lives, Causes Damage Hydrants Broken, Lights Dimmed In Heights Accident

One man was arrested, another seriously injured, two fire hydrants were gushing water, a huge transformer telephone pole, wires and all was smashed down, across Mass. ave., and the whole area from Appleton st., to Lancaster road, was plunged into darkness, early Monday morning, as a car crashed and turned over near 1500 Mass. ave., ending an 85 mile an hour chase from Arlington center.

Police officers Harold O'Leary and Henry Bradley in car seven arrived on the scene minutes after the crash having been notified that the car was being pursued by another officer in a commandeered taxi cab.

The officers immediately called for the police ambulance and then began a perilous hike through the ankle deep water and floating high tension wires to help the men trapped in the smashed car.

When the policemen got to the car, residents attracted to the scene by the sudden extinguishing of lights, and the loud crash, were helping the two men from the wreck.

Richard J. Dook, 357 High street, Medford, and Charles A. Slevin, 11

Boston avenue, Somerville, were put into the police ambulance and taken to the Symmes Arlington hospital by officer John Ryan.

Dook refused hospitalization and was taken back to the police headquarters where he was booked on a charge of being drunk, according to police officials. It is expected Slevin will be charged with violating the auto laws.

It was reported the car was first seen, speeding through Arlington center, by officer William Taylor. He signaled for it to stop but it kept on going.

Assuming it was a stolen car, officer Taylor gave chase in a commandeered taxi but lost the car in traffic somewhere in the vicinity of Lowell st.

The car was again heard from when residents of upper Massachusetts avenue called police and reported a terrible accident which had put out lights from Appleton st., to Lancaster road.

Police roped off the area awaiting the arrival of repairmen. Hospital authorities reported Slevin had received contusions of the scalp and sprained neck.

Three Injured As Car Strikes Tree

Early Monday morning, a sedan owned and operated by Louis Reyeroft Jr., 23 Whittemore st., Arlington, struck a tree on Everett street, Arlington injuring himself and two companions.

Reyeroft was proceeding outbound on Massachusetts ave., and made a right turn into Everett st., when he was forced to veer sharply to the right to avoid hitting an oncoming car. He could not regain control of his car and hit the tree.

Reyeroft along with John V. Hanlon 26, 52 Tufts st., Arlington and Philip Lyons, 23, 17 Everett st.,

Arlington, were taken to the Symmes Arlington Hospital in the Police ambulance by officer John Ryan.

Hospital authorities said the operator received two fractured ribs, while Lyons suffered a cut nose and Hanlon, bruises of the forehead and a cut right leg.

Belmont Man Killed In Crash Saturday

Car Strikes Tree On Pleasant Street - 2 Others Seriously Hurt, Taken To Hospital

A Belmont factory supervisor was killed and two women were critically injured when the car in which they were riding crashed into a tree in front of 137 Pleasant street, early Saturday morning.

The dead man was Patrick J. Toomey, 46, 74 Richmond road, Belmont, while his wife, Mrs. Mary (Stack) Toomey and her sister, Lillian Stack were in serious condition at the Symmes Arlington

Hospital. The accident occurred at 1:17 a. m. as Toomey was driving home towards Belmont. Miss Lillian Stack told reporters Mr. Toomey was proceeding towards Belmont, when a car suddenly came around the curve at the corner of Pleasant and Irving streets, on the wrong side of the road. Toomey veered sharply to the left to avoid

(Continued on Page Two)

Arlington Resident Killed By Train Here Tuesday

Tuesday morning, Fred Sheppard, 41, 132 Thorndike street Arlington was struck and killed by a Boston bound train.

Joseph Allosso, 147 Thorndike street called police headquarters and reported a man was lying beside the railroad tracks at the foot of the street.

Officer George Duggan was sent to the scene and after questioning the engineer, Charles Dawes and

the conductor Clarence Littlefield, reported Fred Sheppard was struck and killed by the 7:25 Boston bound commuters train from Lake street.

Hundreds of people, on their way to work by train and car stopped to see what had happened creating a traffic hazard on the Concord Pike. It was two hours before Arlington and State Police cleared the situation and got the passengers back on the train, bound for Boston.

committee for the active part they took on this memorable occasion. They gave hours of their valuable time.

We also would like to thank the Hon. Board of Selectmen for their invaluable aid. I am

Very sincerely yours
(Signed) William S. Batchelor
General Chairman

To the Editor,
Arlington Press

We of the Jamboree Committee wish to take this opportunity to thank publicly the members of the Board of Selectmen who individually and collectively did so much to cooperate with us in our drive to obtain funds to send local Boy Scouts to the National Jamboree at Valley Forge Penn., in July of this year.

Their generosity and genuine interest made it possible for us to solicit a substantial portion of the needed funds at the pageant and at the Marine Band Concert during the Patriot's Day celebrations.

Also at this time we would like to thank the Rev. John Nicol Mark for his able assistance and cooperation and would like further, to express our appreciation for the help given us by the Patriot's Day committee.

To John Morine and the other members of the School Committee, likewise, we wish to extend a vote of gratitude. Their cooperation in allowing the Band Concert and fire works display enabled us to add to the fund.

Needless to say, our genial Town Clerk, James J. Golden, assisted in his usual fine manner.

And to you, Mr. Editor, another vote of thanks for the space you have given us in your columns for publicizing our activities. Without it we would have found it difficult to adequately inform our fellow townspeople of the work we are doing.

And last, but not least, to those

N.Y. Central Inaugurates New Service

The newest development in transportation progress — high-speed, self-propelled Rail Diesel Cars like the demonstration model shown above—are being inaugurated in regular service for the first time on any railroad by the New York Central on a 98-mile stretch of its affiliated Boston and Albany Railroad between Boston and Springfield, Mass.

The first of these new streamlined, all-stainless steel "Beeliners," constructed by the Budd Company of Philadelphia, Pa., are scheduled for a high-frequency, regular service beginning May 1. They carry as many as 89 passengers each, in air-conditioned comfort at speeds up to 83 miles an hour, and have been widely hailed as a means of stimulating additional passenger traffic on the nation's railroads.

I Wonder

I WONDER how many of the Patriot's Day Committee got ulcers before the four day celebration was over?

I WONDER if the phony looking decorations on the Town Hall, last week, went over very big??

I WONDER if Spy Pond is ever going to be made into a suitable swimming hole??

I WONDER why one of the East Arlington AYA baseball teams home field is up in the heights somewhere??

I WONDER if the firemen of Engine four aren't shaking from their narrow escape at Lake St.,

public spirited citizens who respond so generously to our mail campaign and to our appeals at the Patriot's Day Pageant and other functions our sincerest thanks.

We are still short of our goal and hope that other public spirited citizens will join us in our efforts to send Arlington's best to the Jamboree by contributing to the fund. Contributions may be sent to Harold N. Anderson, treasurer of the Committee, 154 Highland ave., Arlington.

Sincerely,

Richard B. Talcott, chairman
Harold N. Anderson, treasurer

BELMONT —

hitting the oncoming machine but could not straighten his car out in time to avoid hitting the tree.

An Arlington resident called police headquarters and inspector Edward Sullivan, Lt. Flynn, Registry inspectors Charles Sullivan and patrolman John Ryan were sent to the scene.

The Arlington Fire department responded in answer to another phone call. Lt. Francis Donohue with Private Joseph Cronin in Engine No. 1 went to work on the car in an effort to extricate the accident victims.

Patrick Toomey was removed

first and placed in the Fire Department Special Service truck by Lt. Harold O'Leary and Private John Flynn, who took the man to the hospital.

Toomey was pronounced dead on arrival at the Symmes, Arlington hospital by medical examiner Leo T. Miles.

The other two victims were rushed to the hospital in the police ambulance by patrolmen John Ryan where hospital authorities placed both women on the danger list.

Tax Exemption For Veterans

The advertisement on Page 1 inserted by the Director of Veterans' Services for the Town of Arlington is intended to bring to the attention of disabled veterans, wives and widows of disabled veterans, veterans who have been awarded the Purple Heart, their wives and widows and Gold Star Mothers and Fathers the fact that they are entitled, upon making application to the Assessors' Office, Robbins Town Hall, Arlington, to an exemption of \$2000.00 on their real estate tax assessment provided that they occupy the real estate

as a domicile, are legal residents of the Commonwealth and that the value of the real estate over and above the mortgage, is there be one, does not exceed \$8,000.00.

According to the terms of the law, application for the \$2,000.00 exemption should be made at the Assessors' Office on or before October 1st of the year the tax is levied. It is known that some persons applied for the exemption before October 1, 1949, and were denied either through error or through their failure to accurately state the facts. Those persons paid their taxes in full. Others failed to apply before the deadline. For the benefit of both classes the Massachusetts Legislature passed a special law, Chapter 165, Acts of 1950, approved by the Governor on March 6, 1950 which becomes effective on June 6, 1950. This act provides another opportunity for those in the two classes above-mentioned to obtain the 1949 exemption by applying at the Assessors' Office between June 6, and October 1, 1950.

Information has been obtained from the Tax Commissioner's Office that those persons who applied for the exemption before October 1, 1949, were declared to be ineligible for one reason or another, should obtain a new application after June 6, 1950 and, upon filing same at the Assessors' Office with proof of eligibility, may then obtain a refund from the Town Treasurer. Others who failed to file before October 1, 1949, who are otherwise eligible, may also obtain refund.

The Arlington Dpt. of Veterans' Services, Robbins House, Arlington rear of Robbins Public Library, stands ready at all times to help the veterans and their relatives in matters as this or any other matter that presents a problem.

To Observe A Fellowship Day

Arlington Council of Church Women are to observe "Fellowship Day" on Friday, May 5th, 2:30 p. m. at the Park Ave. Congregational Church. The speaker is to be Dr. Franklin P. Hawkes, formerly of Arlington. Plans are being made for 16 Latin children to entertain with folk dancing at the Fellowship Hour. The Arlington Hadassah group have been invited to attend

Boy's Club Fish Derby Big Success

Last Saturday afternoon the shores of Spy Pond were lined with over 200 young fishermen, entrants in the Arlington Boys' Club Huck Finn Fishing Derby.

The Fishing Derby, an annual event at the Arlington Club, was proclaimed a huge success by all.

Fishing equipment of all types was used by the young anglers in their quest for prize-winning fish. Fifteen prizes valued at more than one hundred dollars were donated to the Boys' Club by national manufacturers of fishing tackle. Among the awards were fishing rods, lines trophy plaques, and lures.

Derby winners were: Edward Mayer 12 Jimmy LeBlanc 9, Stewart Whitehouse 8, Ed Curtis 11, Donny Scirocco 13, Ara Gecchian 9, Norman Shaw 13, Steven Weber 10, Richard Murphy 12, William Doherty 10, Robert Bancroft 9, Thomas Cooke 11, and David Deseleier 10.

After the Judges of the Fishing Derby declared the winners, the boys got to gether and picked their prizes. In this way a boy who already had a fishing pole to another of the prizes so some boy needing a pole could have it. This way prizes were fairly distributed among the winners.

Boys' Club staff and volunteer workers were congratulated for the safe and efficient manner in which the event was conducted.

To round out the afternoon, boys who did not catch any fish drew out of a hat for 8 special prizes set aside for the luckless fishermen. Judges: Mr. Walter Kenney, Pres., Arlington Boys' Club, Mr. James Golden, Town Clerk and Mr. Henry Keenan, State Representative.

Engaged

Mr. and Mrs. H. J. Harrison, 33 Farragut st., Somerville, announce the engagement of their daughter, Marie to Kenneth F. Felton, 17 Court st., Arlington.

Mr. Fulton is a graduate of Arlington High School Class of 1945 and served two years with the U. S. Navy in the North Atlantic area.

Boy Scout News

A Roast Beef Supper featured the April Meeting of Pack 43, the Supper being served by the Men's Club of the First Congregational Parish Unitarian Church. An interesting sidelight was the presentation of Orchid Corsages to the Den Mothers in appreciation of their faithful work this entire season.

After the Supper, in an impressive ceremony, Akela presided at the induction of two new Bobcats, William McCoubry and Benjamin Rand, into Pack 43.

This year Pack 43 has made an outstanding record in earning Wolf Bear, and Lion badges and arrows. At this meeting, there were 26 Wolf awards, 5 Bear awards, 3 Lion awards. In addition, 4 awards of Webelos, the highest award in Cubbing, were made.

The audience of more than three hundred, Cubs together with their families and guests, were entertained by feats of magic presented by the talented Miss Barbara Mills. Films portraying an elephant hunt closed the meeting.

Troop Nine Boy and Explorer Scouts will have its first waste paper and rags collection on Friday, April 21, starting at 9:00 a.m. The proceeds will be used for improvements at their all-year Quonset camp at Hale Reservation. All streets will be covered from Wyman Terrace and Franklin streets towards the Arlington Center to the Alewife Brook, Arlington line. The area from the Boston & Maine R.R. tracks and Concord Turnpike to Mystic Valley Parkway.

If you live in this area Scouts will call on you and take the waste paper from your basement if it hasn't been placed at the curb. Call Ar 5-3020 for paper pickup.

The usual Scout Good Turn will be followed, a percentage of the proceeds will be presented to a worthy cause.

Women Voters Discuss Taxes

"Your State and Federal Taxes How Much Do You Pay?" was the subject discussed on Thursday

evening, April 20, by the Economic Policy Committee of the League of Women Voters of Arlington for the members at the home of Mrs. Roy Reed.

Mrs. James Daily discussed the state taxation picture pointing out that the whole taxation structure of Massachusetts was being evaluated by a special Commission.

Mrs. Roy Reed led the discussion

on the Federal Taxation System. She traced the historical development of the taxation in general and United States in particular and evaluated our Federal Taxation system in relation to the criteria of what is considered a adequate taxation system.

Mid-Century ROYALTEX

THE GREAT Mid-Century U.S. ROYAL MASTER

OUR Mid-Century CHANGE-OVER OFFER!
The one SURE way to buy tires!

Don't take our word for satisfaction!
Don't take anyone's word!

Satisfy yourself with an absolutely free trial ride for a full week on Mid-Century U. S. Royal Masters—the tires with features that are sweeping the country—no strings—no obligation.

Learn for yourself about—

- Scuff-proof whitewalls
- ROYALTEX—new safety tread device holds where tires never held before

- Skid protection never possible before
- 60% more safe miles
- High-speed, low-pressure comfort

Many people like to "prove it for themselves." That's why we make this unusual offer. We'll give these great U. S. Royals on your car absolutely free for one week. You make the test, under any road conditions, at any driving speeds; you make the decision—then if you decide to buy we'll offer you the best allowances in town for your old tires.

MAKE YOUR Mid-Century CHANGE-OVER TO U. S. ROYALS TODAY!

**WEDDINGS
and
ENGAGEMENTS**

**Announce
Engagement**
Mr. and Mrs. George O. Ellard,
Sr., of 6 Park Terrace, Arlington,
announce the engagement of their
daughter, Rosemary to Paul A.
Vogt, son of Mr. and Mrs. Paul R.
Vogt of Everett.
Miss Ellard attended the Arling-
ton Senior High School with the
Class of 1945.
Mr. Vogt is a graduate of Ever-
ett Senior High School, and served
as a Lieutenant in the United
States Army Air Forces during
World War II.

Hart-Farrar
Miss Marilyn Edith Farrar,
daughter of Mr. and Mrs. Ralph B.
Farrar of Jamaica Plain, became
the bride recently of Mr. George
Allen Hart, Jr., son of Mr. George
A. Hart and the late Mrs. Hart
of Arlington. The ceremony took
place in the Chapin Memorial Hall
of the Central Congregational
Church of Jamaica Plain, with Rev.
Douglas M. MacIntosh, the pastor,
and Rev. Cato Dick, minister of the
Quinsigamon Methodist Church in
Worcester officiating.
Mrs. Myrtle Swain of Medford
was matron of honor while Fred
Borgeson of Arlington was best
man, Kenneth Swain and John
Andrews of Medford were ushers.
The groom was in the U. S.
Navy during the war and is now
attending the Massachusetts Trade
School. After the wedding trip to
New York and Washington, Mr.
and Mrs. Hart will reside in Ja-
macia Plain.

English-Pellegrini
Miss Catherine Pellegrini, daugh-
ter of Mr. and Mrs. Bernard Pel-
lerini of 9 Foster st., Arlington, be-
came the bride Sunday afternoon
in St. Anthony's Church, Somer-
ville of Robert English, a naval vet-
eran of the recent war, son of Mr.
and Mrs. James P. English of 69
Martland ave., Brockton. The cere-
mony was performed by the Very
Rev. Nazareno Properzi, pastor.

**Block -
McDonough**
Miss Marjorie Ann McDonough
daughter of Mr. and Mrs. Edward
McDonough of Arlington Heights
became the bride of Robert Eugene
Block, son of Mrs. Mabel Block of
Roxbury in a ceremony performed
last Tuesday at St. James Church
in Arlington Heights. The Rev.
Maurice J. O'Connor, D. D., LL. D.,
officiated.
Miss McDonough wore a wool
suit with a white flowered hat and
carried a corsage of white orchids.
She was attended by Miss Mary
Hannon of Arlington.
Paul O'Neill of Jamaica Plain, a
cousin of the groom, was best man.
A reception followed at The
Meadows. After a wedding trip to
New York and Connecticut, Mr.
and Mrs. Block will make their
home in Jamaica Plain.

Bannon-White
Mr. and Mrs. David William
White of Arlington announce the
marriage of their daughter, Phylis
Helene White, to Paul Russell
Bannon, son of Mr. and Mrs. Robert
James Bannon of Winthrop. The
ceremony was performed on April
15th in St. Agnes Church Arlington,
with Rev. William J. Linehan offi-
ciating. A reception followed at the
home of the bride's parents.
Miss Priscilla Elaine White was
her sister's only attendant, and
Joseph E. Rosetti of East Boston
was best man. Ushers were Edward
A. and Thomas McDonald of East
Boston.

**Announce
Engagement**
Mr. and Mrs. Harold E. Meyer
of Arlington announce the engage-
ment of their daughter, Miss Eve-
lyn C. Meyer, to Mr. Joseph Mac-
Conachie of Cambridge.

I WONDER when Arlington
Policemen are going to get new
uniforms??
I WONDER if advanced radio
publicity would have increased the
parade crowd in East Arlington
last Wednesday?

Of Sheriff**
At a get-together of the many
friends of Francis P. Shea, Jr., of
112 Winter street, Belmont, Mr.
Shea formally announced his can-
didacy for the Republican nomi-
nation for Middlesex County Sheriff.
The son of a former Belmont Of-
ficer, he is founder and owner of
the Fidelity Detective Bureau on
School street, Boston.
He is a veteran of World War II
and a member of Belmont Post No.
165, Inc., the American Legion.
A life-long resident of Middlesex
County, he was graduated from the
Belmont public schools and attend-
ed Suffolk University.
"I am seeking the Office of Sher-
iff of Middlesex County," he said,
"on the platform of 'Law and
Order'. To inaugurate a system of
education for the inmates of the
County jails, thereby instilling in
them a sense of responsibility and
civic pride, with the aim that
many habitual inmates can be re-
sued for the good of the Commu-
nity. I believe the efforts of the
Parole and Probation Departments
should be brought into closer har-
mony with the Sheriff's Office.
When elected, the citizens of the
County will receive the prompt
service from the Sheriff's Office
they have a right to expect."

**Head Blue Cross
Campaign Here**
Mrs. Sidney M. Simmons and
Mrs. Gordon A. Saunders, both of
Arlington are serving as co-chair-
men for the Blue Cross-Blue Shield
Volunteer Committee for the Wom-
an's Auxiliary to the Middlesex
South Medical Society.
The Auxiliary members are
urged to serve on behalf of Blue
Cross and Blue Shield at Com-
munity Enrollment Headquarters,
Arlington Gas Light Co., 229 Broad-
way. The volunteers will assist
their fellow-townsperson in making
application for Blue Cross and Blue
Shield which is available to un-
employed and retired persons, and
to persons who work where there
are less than five employed, in-
cluding the employer.
The Community Enrollment Cam-
paign started April 12 and con-
cluded through to Friday, April 21.

**Baptist Club
Holds 40th
Anniversary**
With 10 original charter mem-
bers present, the Men's Club of the
First Baptist Church of Arlington
Sunday observed the 40th anniver-
sary of the founding of the class
at its noon meeting.
Leonard F. Cronkrite, who is a
veteran teacher, was also present.
Rev. Nathan W. Wood, pastor, was
reunion speaker.
A banquet followed at 1:30 in
the main banquet hall. Carl W.
Alsen, Jr., was chairman, with
Wallace Gorton as dinner chairman
assisted by Albert S. Brown.
I WONDER what character has
been ringing the increasing false
alarms lately??

to be transferred to a new organization to be known as the Ring Sanatorium, headed by Benjamin Simon, M. D. as Director, and Francis W. Russell as Executive Secretary.

The Ring Sanatorium and Hospital has been a landmark in Arlington for seventy years. It was originally acquired by Dr. Allan Mitt Ring in 1881 and was later enlarged during the administration of Dr. Arthur H. Ring and Dr. Barbara T. Ring, under whose guidance it was incorporated as The Ring Sanatorium and Hospital in 1919. During its seventy years it has grown from a small operation of one building with about fifteen guests to a plant containing ten buildings, housing sixty guests, and carrying an operational staff of seventy-five employees plus a student body of twenty-five in the Ring School of Attendant Nursing. In the last thirty years the hospital has gained national and international reputation for its leadership in the field of neuropsychiatry. Its clientele has been referred to it from every state in the union and several foreign countries.

Since the death of Dr. Arthur H. Ring in 1935 and the later death of Dr. Barbara T. Ring in 1941, the hospital has been under the leadership of Hallam T. Ring as President and Administrator, assisted by Mrs. Hallam T. Ring R. N. as Principal of the Ring School of Attendant Nursing.

Dr. Benjamin Simon, who will head the new management, is a well known psychiatrist with an exceptionally fine background of training and experience, amply qualifying him for his new leadership and responsibilities. Dr. Simon has been a resident in Arlington since August 1949 as Medical Director of the hospital, coming from Connecticut State Hospital in Middletown where he was Director of Clinical Psychiatry. Dr. Simon served with the U. S. Army as Chief Neuropsychiatry and Executive Officer at the Mason General Hospital with the rank of Lt Col., 1943 to 1946. He was formerly Senior Psychiatrist at the Worcester State Hospital and has been Rockefeller Fellow in Neurology, National Hospital, Queen Square, London. Dr. Simon is a graduate of Stanford University and the Washington University School of Medicine. He is a Diplomate of the American Board in Neurology and Psychiatry. Dr. Simon and his family reside at 141 Hillside Avenue.

Francis W. Russell comes from a position as Executive Secretary to the Joint Board of State Mental Hospitals in Connecticut and will assume the business administration responsibilities of the Ring Sanatorium. He will reside with his family at 143 Oakland Avenue.

Dr. Simon states that he hopes to maintain the present medical, operational and personnel policies of the hospital as they have prevailed in the past.

Hallam T. Ring has taken offices at 26 Mill Street, Arlington, in the Frost building, where he will carry on the remaining business activities of the Ring Sanatorium and Hospital and from which he will conduct other business enterprises, the nature of which is to be announced at a later date. Mr. and Mrs. Ring will continue to reside at 179 Hillside Avenue, Arlington.

Bishop School Open May 1 For Pupils

The new \$625,000 Bishop School, Columbia road, Morningside, Arlington, will open its doors to some 190 pupils the first of May this year.

The edifice, an architect's dream, is one of the latest type brick construction, with radiant heat and fresh air conductors in every room.

The building will be open for public inspection this week-end, following a dedication ceremony. The Arlington PRESS was given a sneak preview of the building Friday afternoon, by Mr. G. Bertram Washburn, clerk of Works of the Town.

The main entrance to the school is on Columbia road, and it was pointed out this door will be used by the teaching staff and general public, not the pupils. Doors have been provided on the sides of the school for their use.

Inside the front door is a large reception lobby with marble finished, sheet rubber, tile walls. The floor is composed of a multi-colored finished rubber tile as are the corridors and floors of the eight rooms. The ceilings are made of acoustic tile which acts as a sound-proofing device.

There is a large auditorium to the right of the lobby and on the left a corridor which leads to the classrooms and administrative offices. The principals office is situated on the left side of the corridor. This room with another attached room houses the administrative staff, the school bell system the fire alarm apparatus and the pupils public address system.

The Public Address system is a huge Stromberg-Carlson radio set with an attached radio and three speed phonograph. The set is so built that rooms in the school can be addressed either together or separately. It is possible to play music in one room, talk to another, and have the ball game playing in the rest of the rooms all at the same time. Each room has a loudspeaker and the teacher may talk with the office through this speaker.

Across the hall from the office is a conference room, for the teaching staff and next to it one of the two boys' toilets.

Leaving these rooms and going through a set of heavy bleached birch doors, there is a large aquarium which faces onto the corridor on one side and the kindergarten on the other.

The kindergarten is adjacent to the principals office and is so constructed that the floors are heated by steam pipes which run a criss-cross pattern underneath. The room has its own entrance, from the outside, thus keeping the babies away from the older children, and is 30 by 60 feet, with its own toilet. New type directional glass block windows run the entire length of the room and are so set that light will shine across and not onto the floor.

The toilet is of especial interest as it is of midget size. The sinks and bowls stand about two feet off the floor and mirrors just a little higher. The desks, chairs and sand tables are all of minute size.

The color scheme is red and green with attractive special type tile construction for the plant tables. The floor is covered with a bright patterned linoleum. There is another special feature in that heat and air are strictly controlled by thermostats.

Leaving the baby department our tour took us to the first grade. This classroom was colored similar to the kindergarten with red and blue beams and yellow walls. The black boards are of the green type similar to that used in the new Reading school. This type of board is supposed to prevent eye strain.

In the rear of the room are three sectional type wardrobes for the children's clothes. It was pointed out, the miniature furniture in the room was made by the inmates of State Penal Institutions.

The second and third grades, all on the first floor, are of the same general construction as the first grade room. The second floor houses the fourth, fifth and sixth grades as well as the library, teachers' room and projection room.

The school rooms on this floor were similar to those on the lower floor, except they had desks furnished by the J. L. Hammet Co. These desks were unique because the tops could be placed in a level or slanted position. The seats are attached to the desk and are made so that they will swivel. All rooms are equipped to handle 36 pupils, but it is expected only thirty would be in each room when school opens.

The library was the next spot of interest. This room is situated directly over the kindergarten and has the same long bay window with the glass block construction.

Outstanding feature was the projecting machine which folded into the wall. This will be used in the visual aids classes. The other was the baby grand piano which was presented to the school by Mrs.

John Bishop.

There were six large tables and chairs in the room as well as a magazine rack and bins for prints. In the rear of the library is a sound proof music room and adjacent to it a glassed in librarian's room.

Across the hall from the library is the staff room for the teachers. This room could be used as an apartment if one is needed. It contains a unit which is stove, refrigerator, sink and storage space. The room is beige and has a maple sitting room set for lounging.

The health room is opposite the staff room and is fully equipped to handle any emergency. It has a first aid room, a dispensary with beds and a room which is piped to handle a dentist chair if the Town so decides to put it in.

The projection room, for the auditorium, is at the end of the second floor hall and is completely fireproof, has its own ventilation and is capable of running off a full length motion picture.

Our guide then led us into the basement where the huge power units were pointed out. There are two tanks which hold 5000 gallons of oil as well as two very large oil burners. A special power unit has been installed which works by gas and this unit will supply power for heat and lights in case the Town power should fail. Another piece of equipment was described which heats additional hot water in case of power failure. This unit, again, works on gas principle.

Underneath the auditorium is a play room some 70 by 50 feet in measure. This room will be used by the children in case of inclement weather and can be used as a dining hall if needed. It was suggested that it might be used as a banquet room for the surrounding community. The room has eight doors on either side of the French style. This style was chosen so that all the necessary light could be let into the room. There is a complete kitchen attached to the room, with a serving counter.

Upstairs over the playroom is the large auditorium. This hall will seat 420 people in chairs which adjust to the shape of your back. The room is the same size as the playroom and is lit by a battery of cold cathode lights all arranged in frames measuring 40 feet by 10 feet. The walls of the hall are bent in such a manner as to allow for the best possible acoustics and the rear wall is composed of a sound deadening acoustic tile. There are sixteen additional emergency spotlights in the ceiling as well as the latest type ventilation system.

School children who are presently situated in the Russell, Cutter and Parmenter schools will be the new pupils at the Bishop school. It was understood that the Russell school would be the heavier contributor as most of their pupils live near the Bishop School. Only children who live on the side of the Massachusetts Avenue near the new school will be taken from the Cutter and Parmenter schools. These pupils have all been notified of the change.

Attention was also called to the budget. \$500,000 was spent in building the school, but an additional \$125,000 was used for school materials and landscaping.

To Dedicate New Bishop School Friday Evening

Dedication and Open House at the Bishop School will take place Friday evening at eight o'clock.

Dr. A. Wednall Yeo of Boston University will deliver the dedicatory address at the school Friday evening at eight o'clock.

Open House Friday will continue from 7:30 to 10: p.m. and will be resumed Saturday from two to five and seven to nine.

Adults only are invited to the Open House this weekend.

"Poppy" Drive This Week-End

The American Legion Auxiliary to Arlington Post No 39 is to conduct its annual sale of poppies with in the limits of the town of Arlington this year on April 28 and 29. The proceeds of this drive are to be used in the organization's rehabilitation program for disabled veterans confined to government hospitals.

An appreciable fund is required to aid and bring relief to these physically and mentally handicapped men and women who have given so much for our country in time of war. Your donation regardless of the amount, will help bring cheer and happiness into the lives of these Americans to whom we are so deeply indebted.

We urge your cooperation and support as in the past in contributing to this most worthy cause.

Arlington Garden Club

The following members of the Arlington Garden Club, Mrs. Arthur H. Pulsford, Mrs. Francis J. Davidson, Mrs. George E. Rogers and Mrs. George E. Ham, provided the materials and decorated the Float which was entered in the Patriot's Day Parade in Arlington. It was a tremendous task but the results were most gratifying. The truck was furnished by courtesy of Mr. Edmund L. Frost.

PINEAPPLES

ARE CHEAPER IN

Hawaii

Out where they're grown by the millions pineapples are correspondingly cheap. 5,000 miles of transportation costs must be included in the price we pay here in New England.

It's like that with electricity, too. Coal and oil, the raw materials for making most of New England's electricity must be shipped here from great distances. That is one of the basic, simple reasons for different electric rates in different parts of the country.

But careful management and technical skill have made electricity the best bargain in the New England household budget — penny for penny the biggest money's worth of anything you buy.

WATER POWER

Our water power resources have been developed intensively, but the bulk of New England's electricity must be steam generated because, except in Maine, there just isn't enough water power.

THRU THE EYES OF THE PRESS

TUTTEN BROS. CO. "Distinctive Memorials Since 1888"

We are indeed pleased to include in this business review of the outstanding establishments serving our area, one which has definitely met with full approval of not only the people of Medford but also throughout this entire section of the state, namely, the Tutten Bros. Co., located in neighboring Medford at 27 Canal St., telephone Mystic 8-0369 or evenings, Winchester 6-2284.

The workmanship here, such as the lettering and carvings, are produced by the latest methods which insure the edges being exactly true, without stuns or flaws or from cutting, and you can be most certain that the finished memorial will be just as ordered and entirely satisfactory in every detail.

Since the very beginning way back in 1888, when the Tutten Bros. Co. was established, they have had a well-merited reputation as designers, being original and artistic, and have at all times been ready to submit designs for the consideration of their patrons. This outstanding firm meets all requirements from the small to the most memorial. Their aim throughout the past 62 years, has been to give the utmost satisfaction and they are at all times ready

to place their designing department at your service to insure a memorial which will be truly commemorative of the person in whose memory it is to be erected.

As we are of the opinion that every grave should have an individual marker, and particularly now with Memorial Day almost here, we therefore suggest that a visit be paid to this establishment, where a large selection of finished work awaits you, at fair and reasonable prices.

It is this kind of service that has warranted the approval of the people throughout this entire section of the state for this fine firm, and which, no doubt, is responsible for many beautiful memorials erected in various cemeteries throughout a large area of this state.

We are really pleased, in this Business Review to compliment the capable proprietor of the Tutten Bros. Co., Mr. John L. Tutten who by the way is now a resident of Winchester at 104 Main Street, our gain and Medford's loss, upon his fine workmanship and service which he has always rendered so capably and we highly recommend this firm as one where you can place an order for a memorial with the utmost confidence at all times.

CHRISTIE McDONALD'S FOOD SHOP Delicious Bakery Products

Since the very beginning of this business here in Winchester, Christie McDonald's Food Shop, located at 19 Mt. Vernon St., telephone, Winchester 6-0907, has built a reputation for superior bakery products that is reflected today in the satisfaction expressed by hundreds of individuals throughout this area.

They say that the way to a man's heart is through his stomach, and there is perhaps nothing closer to the heart of a man than the memory of the delicious aromas of home-cooking that issued forth from the kitchen, when as a boy, mother would be baking hot biscuits, doughnuts or some especially savoury pie or cake. But with the present day emancipation of women, the modern housewife rightly rejects the idea of long hours spent in the kitchen baking over a hot stove, which was cruelly considered grandmother's privilege to endure.

Today, present-day methods make it just as inexpensive and lots more enjoyable to purchase bakery products from a dependable establishment such as this good going local bakery of Christie McDonald's Food Shop where nothing but the purest, richest and freshest of ingredients ever go into their recipes.

Here at this bakery are featured a complete selection of bread, rolls, biscuits, pies, cakes, etc., all

ways freshly baked, always appetizing, and they are equipped too, to prepare all types of special orders along these lines, whether it be for a birthday party, wedding, or any festive occasion whatsoever. It is our opinion that you who take our advice and order for a special occasion from this firm, will be more than satisfied because this phase of the business is definitely a specialty and a feature of this concern.

Every woman of Winchester who has not as yet come to know through actual experience the merits of this outstanding local bakery would be well-advised to stop in here at the first opportunity. The very appearance of the windows is a delight to contemplate and holds an irresistible lure which only a strong will or a full stomach could successfully resist.

Both the management and personnel draw from a background of many years of experience in the bakery business, and we take pleasure in bringing to the attention of our readers, these most attractive features. To those of you who would experience the satisfaction of delicious bakery products therefore, it would well be worth your effort to acquaint yourself with these good things to eat and so expertly prepared by the Christie McDonald Food Shop.

anical deficiencies are not available of course, since it is usually impossible to determine just how many factors enter into a serious accident.

"We know definitely, though," he added, "that unsafe mechanical conditions materially increase the frequency of such conditions. We also know that in 1948, for instance at least 13 percent of all fatal traffic accidents involved a car in

unsafe condition."

The official slogan for the May program in Arlington is "Check your car... Check Accidents." This program has been especially timed for this time of the year in anticipation of heavy Memorial Day, and vacation traffic.

INITIATE CLASS

Arlington Unit 39, American Legion, initiated a class of 17 members at a Neighborhood Night Monday, with visitors present from several surrounding units.

Mrs. Gladys Kiely, President, and her suite headed by Chairman Anna Buckley, initiated the class, assisted by Ann Myatt, Ruth Branscombe, Jennie Kurrus, Sophie Wislowski, and Helen Dahill.

Betty Buckley and Judith Chamberlain, who represented the unit at Mass. Girls' State last year, were present to report on their experiences.

Mr. Reginald Leith, Veteran's Administration of Boston, was the guest speaker. A three act play was presented to Francis P. Sullivan Post of Cambridge. Ethel Spriggs, Annette Finn and Alice Fields were the hospitality committee.

HOLMES UPHOLSTERING COMPANY "Distinctive Upholstering & Decorating"

As we are of the opinion that this type of service is most interesting to many of us, particularly at this time of the year when we are thinking along the lines of remodeling and redecorating, we are pleased to call to the attention of our readers and friends, the very excellent workmanship which is done by this outstanding firm, the Holmes Upholstering Co., located in nearby Lexington at 7 Fern Street, and also with an office in Newton.

The manner in which the Holmes Upholstering Co., under the direction of Mr. Wallace Holmes, who with 10 years of experience was formerly connected with the Jordan Marsh Co., is taking care of the wants and needs of the public throughout this section of the state speaks for itself and tells the story of success in giving good values and outstanding services at all times. And may we say at this time that this is probably the very reason why this firm has achieved such and excellent reputation among those who have availed themselves of its workmanship and products.

There are two good reasons in your selection of anyone to do this work for you as this really is a highly specialized field and should

only be entrusted to an expert. One reason might be the type of work the firm is noted for, and the other reason may be concerning the honesty and integrity practiced in all their business transactions. We can definitely state that in all these respects, the Holmes Upholstering Co. comes up to the above specifications in every detail.

Among the specialized features of this company are the resetting of Springs, the retying in 8 different ways, a beautiful array of new Cushions and materials and the repairing of the Frames themselves, and what is more, at prices which represent appreciable savings. So why not take our suggestion and telephone Lexington, 9-2950-M or Lasell 7-3289 and arrange to have Mr. Holmes stop in at your home to advise you and give you a fair estimate without any obligation incurred. In other words before letting out the contract elsewhere, for your own lasting satisfaction just take this advice.

In conclusion, we want to publicly commend Mr. Wallace Holmes upon the excellence of his superior workmanship and upon the manner in which he conducts his business, straightforward in every case whether the job be large or small.

ATLAS LIQUOR COMPANY A Distinctive & Complete Line of Choice Liquors

We believe that because of the manner in which this very fine establishment has always been conducted, and because of the excellent line of products which they have to offer to our residents and which compares most favorably with any other like establishment in any large city as to the quantity and quality of its products, this business review of our outstanding business enterprises, in their own individual fields, would certainly be amiss without prominent and definite mention being made of this package store of the Atlas Liquor Co., formerly known as the C. M. Fauci Co., and located in nearby Medford at 139 Mystic Avenue.

Because of the need for a dignified consumer's service to the people of this vicinity, created through the repeal of the 18th Amendment, this fine package store was established, and under very capable management it certainly is rendering a satisfactory type of service to the people of this section of the state by providing a comprehensive assortment of high class beers, ales, choice wines and liquors of both domestic and foreign origin.

On the other hand, if you are planning any party or festival, large or small, we would strongly suggest that you telephone Mystic 6-5107, and state your wants and it is our opinion that you will, very definitely, receive just what you ordered at the time that you want it, truly a complete service in every detail.

In short the manner in which this very good going liquor store has catered to the needs of the public, is a credit to this firm's conception of the highest principles which should always be maintained and no doubt will be as long as Mr. Irving L. Himmel, the capable proprietor, continues to operate this establishment.

We are very much pleased in commending this establishment, the Atlas Liquor Co., which in our estimation is one of the most modern and best equipped of its kind in the state, upon the fine products which they have to offer and because of their on-the-level business transactions we recommend this place as one where you can always trade in the utmost confidence at all times.

FALLON'S MARBLE RIDGE FARM W. J. Fallon & Sons, Proprietors

The firm of W. J. Fallon & Sons is both well and favorably known throughout this section of Middlesex County, for the unsurpassed quality of their milk and cream. Located in Stoneham at 303 Park St., telephone Stoneham 6-0154, this milk dairy has gained a well-earned reputation as producers and distributors of pure, rich, health-giving milk and cream which have won hundreds of satisfied patrons.

Obtaining their milk from only the finest Federally Accredited Herds of Tuberculin Tested Stock, the customers of this firm are thus assured of the highest quality of milk and cream that it is possible to secure anywhere.

With amazing rapidity, America has become one of the leading dairying nations in the world. Research has established practically every inch of the way in setting the high standards of sanitation which are common practices in the milk industry today, and which are so scrupulously followed by Fallon's Marble Ridge Farm. At their dairy plant are employed all of the latest facilities devised by modern science to cool, pasteurize and bottle all their milk and cream, thus ensuring its purity and flavor from the very moment it is obtained from

the cow until it reaches the doorstep.

All of these attractive features of the W. J. Fallon & Sons products and services are nothing more or less than the realization of their ideals which were set as their goal at the very beginning of this business. They are the results of the untiring efforts of an efficient and conscientious management and personnel imbued with the continued upholding of these ideals, and implementing, from time to time, newer and more progressive policies made advisable by changing conditions. The one objective behind all this has been the better serving of an ever increasing list of patrons.

Occupying as it does an important place in the life of the communities it serves, W. J. Fallon & Sons may be said to be holders of a public trust, in so far as the health and well-being of those communities are concerned. The manner in which this dairy firm in Stoneham has always discharged this function is a compliment to their conception of what such a responsibility entails in the supplying of only the highest quality of milk and cream at all times to the public of this section of the state.

Serves Alumni

Mrs. R. H. B. Smith of 37 Dix street will be city chairman of the University of Chicago Alumni Foundation campaign for the alumni's 1950 gift to the university, Chester W. Laing, chairman of the Foundation, announced today.

The 1950 alumni gift, with workers in 445 cities throughout the nation, Honolulu and Puerto Rico seeking to raise \$150,000, is expected to reach a total of more than \$300,000 exclusive of bequests made by the alumni to the university during the year.

Largest of the alumni bequests this year is a \$700,000 fund for scholarships in memory of Henry C. Murphy, 1895 alumnus and Indiana newspaperman, which was made by the late Mrs. Murphy.

Catholic Women's Club Banquet May 3

The annual banquet of the Arlington Catholic Women's Club will be held in the Hotel Puritan, Boston, Wednesday evening, May 3, at 6:30.

His Excellency, Archbishop Cushing has honored the club by accepting an invitation to be present. Following the dinner, entertainment will be by Blanche Goldwaite, Monologist, and Sara Bolger will favor us with musical selections.

President, Mrs. Charles O'Brien has appointed Mrs. Harold J. Rogers, general chairman, assisted by the following committee: Mrs.

City and on their return will make their home at 109 Broadway, Arlington.

Mrs. Purcell is a graduate of Arlington High School, Kents Hill Junior College and Miss Koffrens School of Boston. The groom, who is Chairman of the Board of Settlers in Arlington, graduated from Arlington High School, Suffolk University School of Law and practices law in Arlington.

Charles Kane, Mrs. Eugene Monahan, Mrs. James Doherty, Mrs. James Kelly, Mrs. William McKee, Mrs. Donald Grinnell, Mrs. William Keefe, Mrs. Joseph Churchill, Mrs. John Smith, Mrs. William Germain, Mrs. Charles Ward, Mrs. Henry Lydecker and Mrs. Fred Goodsell.

The bi-weekly bridge and whist will be held on Tuesday, May 2, in American Legion Hall at 2 p.m. Mrs. William Herlihy and Mrs. Joseph Churchill, co-chairmen.

The Annual Memorial Mass will be held in St. Agnes Church on Saturday, May 6, at 8 a.m.

Scouts Chosen For Jamboree

Eight of Arlington's finest Boy Scouts, sponsored by the Local Jamboree Committee, were chosen last Saturday to attend the second National Jamboree which will be held at Valley Forge, Pennsylvania in July of this year. At the same time three alternates were chosen and on the previous evening two scouts, sponsored by the Men's Class of the First Baptist Church, were selected from troop 6 to go with the Arlington contingent.

At the same time he announced the names of those selected, Harold N. Anderson, treasurer of the Committee, revealed that his group had fallen short of collecting the \$1,000 it had been attempting to raise in order to finance the trip for the boys.

Chosen by the Committee to represent Arlington at the Jamboree were Bruce Faunce of Troop 41, Bruce Warren of Troop 1, James McCaffrey of Troop 7, Ralph Steven Jr., of Troop 8, Paul Born-

stein of Troop 85, James W. Rourke 3rd of Troop 2, and William Barnes of Troop 9. Alternates are Richard T. Martin of Troop 5, Richard J. Neal of Troop 10 and William D. Peirson of Troop 29. Representing Troop 6 are Stanley W. Clark and William Copithorne.

One boy was chosen from each troop for final selection by a reviewing board of the Jamboree Committee. They were interviewed after having been chosen by their respective troop committees on the basis of advancement, contribution to Scouting and character. All have made enviable records in Scouting both on a troop and Council wide basis.

According to present plans the Scouts will attend a three day pre-Jamboree training camp in Bedford and will go from there to Valley Forge via the New Haven and Pennsylvania Railroads. They will board a special train at Newtonville carrying Boy Scouts from all over New England.

The Jamboree Committee has been conducting a fund raising campaign for the past month. Individual contributors have accounted for the greater portion of money donated to date. The Kiwanis Club and the Arlington Heights Improvement Association have made generous contributions.

The Committee, whose members are Richard B. Talcott, chairman, J. Wilbur Walker, Laurence G. Wessells and Harold N. Anderson, Treasurer, will continue the drive until it has reached its goal. Contributions may be sent to the treasurer at 154 Highland avenue.

AGITATOR
WASHING ACTION
the most efficient washing method. Fast, thorough, gentle.

AGITATED FLUSH RINSE
exclusive with Blackstone. Soap and suds are flushed off the water surface as the agitator oscillates, complete change of water overflows the tub.

CENTRIFUGAL DAMP-DRYING
leaves some items dry enough to iron. 25% to 35% drier than conventional wringers.

"AUTOTROL" MECHANICAL TIMER
lasts longer, it is 100% mechanical and fool-proof... eliminates all delicate and troublesome "gadgets".

VIBRATIONLESS, NO BOLTING
...no special foundations. 3-point rubber suspension plus self-centering rubber tub mount.

Only the BLACKSTONE AUTOMATIC WASHER offers these 5 SUPERIOR FEATURES

NO OTHER AUTOMATIC WASHER gets really dirty clothes cleaner than Blackstone; few equal its cleansing ability. No other Automatic offers Blackstone's thorough Agitated Flush Rinse. No wringer, tumbler or "squeeze-dry" washer can match Blackstone's damp-drying efficiency! Blackstone is the only Automatic Washer with positive, long-lasting, 100% mechanical control and Blackstone's unique vibration-absorbing tub and mechanism suspension. Study the 5 Blackstone features illustrated above... then see an actual demonstration and you'll know why Blackstone performs the complete laundering sequence best.

On Honor List

Lafayette, Ind., April 19—Two students from the Arlington Mass. vicinity are among 1,728 to win a place on the distinguished student list at Purdue University for the first semester of the academic year ending Feb. 4, according to a list recently released from the office of C. E. Dammon, registrar and director of admissions. These lists are issued following the final recording and checking of grades. Thirty-five students attained a perfect six point rating, making the highest possible grade in each subject carried.

To attain a place on the distinguished student list, a student must have a grade point index average of five or better in all subjects carried during the semester.

The distinguished students are Emmons J. Whitcomb, 7 Hawthorne Ave., Arlington Heights, and Howard C. Miskin, 316 Summit ave., Brighton.

Birthday Broadcast

Helen Govenar, 1122 Mass. Ave., Arlington Mass., was 7 years old on April 21st, and her birthday was announced on the April 15th broadcast of the WCOP Young Timer's Club program which is heard every Saturday morning from 9:00 to 9:30 a.m. over WCOP and WCOP-FM.

HARRIS IN OPENER

Adopted Arlingtonian Mickey Harris, one of two local men now in the major leagues, participated in the opening game of the season on Tuesday for the Washington Senators, and turned in a steady performance.

Although starting pitcher Ray Scarborough received credit for the win, Harris turned in a creditable relief job.

The other Arlington winner, resident Joe Coleman, was sidelined with a sore arm, but is expected to see duty with the Athletics soon.

To Present A Concert Here

Morton Bowe, famous radio, concert and opera tenor, will be presented in concert in the auditorium of the Brookline Baptist Church on Wednesday evening, May 3, 1950, at 8:30 p.m., sponsored by the Women's Society of the church, and assisted by the church choir. Mrs. Bowe, the former Phyllis Blake of Arlington will accompany.

Well known in this area for his weekly appearances Sunday mornings at the church, Mr. Bowe has won for himself the title of one of the country's leading tenors.

His childhood ambition to become an interpretive artist as well as a singer has led Mr. Bowe a merry chase through the years. His career began as a boy soprano in Boston churches and extended through all the branches of the theatrical profession, oratorio and radio. He recently won a contract with the Metropolitan Opera Association.

Charles F. Wyman, member of the Arlington Rotary Club, celebrated his 75th birthday recently at the luncheon meeting of the club. A lobster dinner was enjoyed and special birthday cakes were cut by Mr. Wyman.

Post Office Plans For Boston Jubilee

With more than a million visitors from all sections of the country expected to witness the almost countless spectacles which will comprise the great Boston Jubilee May 18 to 22 observance, plans for the participation of the Boston Post Office have been announced by Postmaster Francis A. Crowley.

This Jubilee will present a full-scale presentation of the assets of Boston in an extravaganza not matched by any metropolis in the country.

Long before, 9 intrepid women pilots of the "99 Club" will take off from 99 widely scattered points from coast to coast on their Boston-bound time-defying rush, and Aeronautics Day will be climaxed by one of the greatest armadas of military and commercial planes seen in the history of aviation.

Continuous musical festivals, featuring name bands, the Boston Symphony Orchestra, all free to the public will be included in the elaborate program. The new multi-million dollar Hoosac Pier will be dedicated and the great facilities of the world's largest fish pier will be thrown open to public inspection. A parade of ships, extending from Boston to Gloucester, Mass., will take place with all crews in dress uniform, after which this great array of fighting ships will be thrown open to the public.

The Queen of the Jubilee and her royal court will be on hand to grace the various occasions and to tour the line of march in the day-long civic parade. The outstanding leaders of American industry will gather at Boston for a series of conferences on "The New American Capitalism". The hospitals and medical schools, famed throughout the world, will be open to the public. The Campfire Girls will cut "the biggest cake in the world" while the concentrated Girl Scouts will hold their jubilee at Symphony Hall.

Since the postoffice has a natural stake in the development of Boston and since the history of the postal service in this country is built around the City of Boston, it is fitting that the Boston Postal District should have an official part in the Jubilee.

Nine of the 25 canceling machines at the South Postal Annex, machines numbered one to nine, inclusive will carry a special slogan, "Welcome To The Boston Jubilee—May 18 to 22". It is expected that thousands of stamp collectors will send covers to be cancelled on one or more of these nine machines carrying the Jubilee slogan. These dies are expected to be received any moment and will be promptly installed and utilized constantly through the last day of the Jubilee.

Collectors desiring cancellation on a specific date of-on a specific machine should include a letter requesting same. Since these machines will carry a time postmark it is necessary that first-class postage be affixed to covers submitted. It is suggested that postal note or money order be remitted in an

amount to cover the value of stamps, although no special stamp will be provided for this event.

In addition, all covers received by the Postmaster at Boston for postmark will be given a special cachet which has been adopted by the Boston Chamber of Commerce as the official symbol of the Jubilee. The cachet will feature Paul Revere astride a galloping horse carrying the banner of the Boston Jubilee into every village and town.

All covers for philatelic handling during the Boston Jubilee should be sent to Postmaster, Public Relations Section, 407 Federal Building Boston 9, Mass. There is no limit to the number of covers which may be sent for this event and Postmaster Crowley assures all philatelists that every effort will be made to comply with their specific requests for postmarks etc.

To: Mr. and Mrs. Stanley P. Miller (Elsie E. Ferguson) of 66 Walnut street, Arlington, a son named David Paul, on April 14th, at Symmes Arlington Hospital.

To: Mr. and Mrs. Walter F. Powers, Jr., (Patricia L. Bullock) of 136 Robbins road, Arlington, a daughter named Mary Grace, on April 17th, at Symmes Arlington Hospital.

To: Mr. and Mrs. Arnold E. Naujler (Flora T. Foritano) of 41 Cornell street, Arlington, a daughter named Susan, on April 17th, at Symmes Arlington Hospital.
